I am Deshaun Barretto. I am studying PUC 2nd year Commerce. My family is fine here, I hope you and your family are fine there.

I am studying well in college I scored good marks in the midterm exams, This year our college has organized many functions like singing competition, Dance competition and cultural day traditional day I participated in the all functions, In March I wrote my annual exams, I am fully focused and determined to perform well. I have been studying rigorously for my annual exams and I followed a strict study schedule. I also practiced many question papers to assess my knowledge and identify my weak areas I was well-prepared for the final exams. I hope I will score well marks. I hope my hard work give me a better result. My favourite subject is Hindi my ambition is to become a businessman and my hobby is playing the guitar after PUC 2nd year I will study BBA, I specially thank you for the financial support you have provided me for my studies. Your support has not only lifted a financial burden off but has also motivated me to work harder towards achieving my goals. Thanks for your kindness, I can now now focus on my education and not worry about the financial challenges that often come with it I and my family always remember you in our prayers and pray to god to give you good health and peace.

Once again, I thank you for your all necessary financial support for my studies

yours lovingly  
Deshaun Barretto.
