HAPPY NEW YEAR

Dear sponsor,

I am Deshaun Baretto. I am studying in 10<sup>th</sup> std. because of lockdown schools are closed my teachers are sending my lessons on mobile. But I am feeling very difficult to understand any way. I am studying. This lockdown made me bore at home. I cannot go out to play with my friends but I learnt the uses of healthy medicine plants thanks to god for giving us beautiful nature.

During this lockdown you helped me a lot by giving me kit and by giving sponsor to me. Thank you very much for this help. I pray to god to give you good health and peace.

Wish you happy christmas and happy New year.  
Pray for me and my family.

Thankyou.

your lovingly,  
Deshaun Baretto
